

Sponsorship Benefits

Behind every ramp stands
a volunteer—the true
heart of SAWs' mission.

Servants at Work

About Us

SAWs (Servants at Work, Inc.) is a 501(c)(3) nonprofit dedicated to improving quality of life for people with permanent or long-term mobility challenges in low-income households. In 2025, our volunteers will build more than 650 custom wooden ramps, providing safe home access to Hoosiers across the state. These ramps reduce isolation, improve safety, and empower individuals to remain active in their communities

The Volunteer Appreciation celebration brings together the hands and hearts behind this impact. **Sponsorship of this event demonstrates your organization's commitment to accessibility, community service, and measurable, lasting change.**
